

WOMAN WOULD NOT GIVE UP

Though Sick and Suffering; At Last Found Help in Lydia E. Pinkham's Vegetable Compound.

Richmond, Pa.—"When I started taking Lydia E. Pinkham's Vegetable Compound I was in a dreadfully rundown state of health, had internal troubles, and was so extremely nervous and prostrated that if I had given in to my feelings I would have been in bed. As it was I had hardly strength at times to be on my feet. I could not sleep at night and of course felt very bad in the morning, and had a steady headache.

"After taking the second bottle I noticed that the headache was not so bad, I rested better, and my nerves were stronger. I continued its use until I made a new woman of me, and now I can hardly realize that I am able to do so much as I do. Whenever I know any woman in need of a good medicine I highly praise Lydia E. Pinkham's Vegetable Compound."—Mrs. FRANK CLARK, 516 N. Tulip St., Richmond, Pa.

Women Have Been Telling Women for forty years how Lydia E. Pinkham's Vegetable Compound has restored their health when suffering with female ills. This accounts for the enormous demand for it from coast to coast. If you are troubled with any ailment peculiar to women why don't you try Lydia E. Pinkham's Vegetable Compound? It will pay you to do so. Lydia E. Pinkham Medicine Co., Lynn, Mass.

SUICIDE SUSPECT AVOIDS JAIL BY PLEA FOR CHILD

Widow, Halted at Ferryboat Rail, Impresses Court With Story of Trouble.

On her plea that she had a four-year-old son to care for and wanted to live for him, Magistrate Levy in the Tombs Court today decided not to send Mrs. Hattie Post to jail on a charge of attempted suicide. The woman, who is about forty years old and evidently of refinement, was intercepted early this morning as she climbed over the rail of the Staten Island ferryboat Bronx. Later she denied that she was attempting suicide.

In court she said that she had climbed over the rail to get her bag, although it was shown that she could have reached the bag without getting over the rail.

"Do you want to make that statement under oath?" asked the Magistrate.

The woman hung her head and burst into tears.

She admitted later that she had had much trouble and had been despondent. She said she was a widow and that her boy was her only child.

"I'll put your case over until tomorrow," said the Magistrate, "and have a physician look into your case."

When she was arrested Mrs. Post said she lived at No. 1475 Lawrence avenue, the Bronx. She carried a finely embroidered handbag and wore two diamond rings.

Soon after the boat left South Ferry she went to the hurricane deck and began pacing nervously up and down and was noticed by John J. Hayes, one of the deck hands, who belongs to the "suicide crew," the members of which have had so much experience with suicides they can usually tell at a glance that a person contemplates self-destruction.

It was then 2:30 A. M., and when the boat was opposite the sunset gun on Governor's Island Hayes saw her climb over the parapet of the hurricane deck and stand poised as if to

leap. He had been ready, and seized her, calling to Martineau to help. The woman was outside the deck rail, her feet dangling over the water, and being held only by her clothing. Hayes and his companion could prevent her falling, but they could not lift her back over the railing to the deck, so they shouted for Capt. Joe Smith. The combined efforts of the three brought her back over and she was taken to the ladies' cabin.

A SURE WAY TO END DANDRUFF

Stop Falling Hair and Itching Scalp—At Once

There is one sure way that has never failed to remove dandruff at once, and that is to dissolve it, then you destroy it entirely. To do this, just get about four ounces of plain, common liquid arvon from any drug store (this is all you will need) apply it at night when retiring, use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find all itching and digging of the scalp will stop instantly and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

If you value your hair, you should get rid of dandruff at once, for nothing destroys the hair so quickly. It not only starves the hair and makes it fall out, but it makes it stringy, straggly, dull, dry, brittle and lifeless, and everybody notices it.—Advt.

In New Jersey, for the same month, there were four fatalities, three due to street cars and one to an automobile. Deaths from railroad grade crossings show that New York had three persons killed and New Jersey five.

According to the monthly report of the National Highway Protective Association, a marked falling off in the number of deaths and accidents due to vehicular traffic in New York is noticeable for the month of March as compared with the same month last year. The reports of the association show that fourteen persons were killed by vehicular traffic during the month just ended. A total of twenty-seven persons were killed. Twelve were killed and forty-three injured by automobiles in this city last month; seven were killed and twenty-nine injured by street cars and eight killed and twelve injured by wagons.

Records for the first quarter of 1914 show that in wagon accidents there is a falling off of 25 per cent. as compared to 1913; in street car accidents a falling off of 22 per cent., and in automobile accidents a falling off of 10 per cent.
